5 October 1982

MEMORANDUM FOR: Deputy Director for Intelligence
Chairman, Technology Transfer Intelligence
Committee

FROM: Executive Director

SUBJECT: Technology Transfer Resources and Capabilities

REFERENCES: A. TTIC Survey of Technology Transfer Resources
(TTIC-C-060)
B. TTAC: FY 1983 Resource Requirements
(DDI 7425/82)
C. TTIC Survey of Technology Transfer Resources
(DCI/IC 82-3594)

1. I understand from the Comptroller that the Intelligence Directorate can provide the staffing required for TTAC in FY 1983 and that additional personnel resources will not be required from outside the DDI.

2. I have discussed the TTIC survey of resources devoted to technology transfer prepared for the SSCI (Reference A) with the DDCI. He would like the Chairman, TTIC to prepare a paper which provides prioritized options, and their costs, for his consideration and the SSCI. He needs an indication as to what can be reasonably accomplished and what would constitute an adequate yet realistic resource level to support technology transfer programs from FY 1984 onward. Please coordinate with the Comptroller and Director, IC Staff when preparing a response.
